November 20, 2015

Head,
Department of Chemistry

Dear Sir/Madam,

It is requested that the following advertisement may be brought to the notice of the students of your department.

Thanking you

Sincerely,

(Dr. Venus Singh Mithu)

Applications are invited for the post of junior research fellow (JRF-01) in the SERB (DST) sponsored research project entitled “**Structural characterization of cell-membrane mediated amyloidogenic aggregation and the associated membrane disruption at molecular level**” under the supervision of Dr. Venus Singh Mithu, principle investigator for the tenure of the project (three years). The application on the plain paper with detailed bio-data and copies of the degrees, certificated and testimonials should reach Dr. Venus Singh Mithu on or before 7th December, 2015. **No TA/DA will be given for attending the interview.**

Eligibility: A candidate should have at least 55% marks in M.Sc. Only NET/GATE qualifies candidates will be considered.

Fellowship: As per DST rules and regulations (HRA as per GNDU rules)
