Program

Indian Institutes of Technology (IITs) are the premier Institutes of education and research in the country. The students graduating from these Institutions possess all the qualities and talents necessary for a successful career. The IIT brand sells all over the world and IIT graduates have made mark in all walks of the society. There are 15 IITs located in different parts of the country. Getting admission in IITs is a dream of many hundred thousands of students in the country. In the state of Punjab, though an IIT has been opened in Roop Nagar, however, this has not improved the number of students from the state, getting admission in any IIT. The situation is more grim for rural students of Punjab, because of lack of quality education and guidance.

Keeping in view these conditions in rural areas of Punjab and with a view to motivate and promote rural students to excel, an initiative taken by Prof. A. S. Brar, Vice-Chancellor, Guru Nanak Dev University with a lot of encouragement and keen interest shown by Hon'ble Chief Minister S. Parkash Singh Badal,. it is decided to select top fifty students form Rural Punjab (after Matriculation) through a State level Entrance test. The students will be provided State of Art, quality education at 10+1 and 10+2 classes for AISSCE and will be given extensive training to crack IIT Entrance Examination along with their holistic development. Students will be provided free lodging, boarding, books, study material, stationary and all other requisite facilities. Punjab Govt. has already sanctioned the grant and constituted a Society under the Chairmanship of Prof. A. S. Brar, Vice-Chancellor, Guru Nanak Dev University for implementation of this Program.

For this purpose, the top 50 Students (Boys as well as Girls) selected after the State Level Entrance Test will be formally admitted to Khalsa College Public School, G.T. Road, Amritsar (affiliated to C.B.S.E.) for quality Education from specialized faculty and will be provided boarding and lodging by Khalsa College Management in appropriate Hostels. The students will be taught by selected professionals as per the syllabus of C.B.S.E. for AISSCE. Highly qualified teachers will be employed to teach at higher level, clearing all the concepts to them and to sharpen their analytical skills. Students will be provided special extensive training by the subject experts in the evening to prepare them simultaneously to crack IIT Entrance Test.
